PROFESSIONAL SUMMARY

Motivated and detail-oriented Diploma in Computer Science student in final semester with a solid current CGPA 3.45 at UiTM Tapah. Seeking an internship position from 7 September 2026 until 19 February 2027 (24 Weeks) in the field of IT, specifically in Multimedia Designer, where to train editing skills. Also interested in software development to train programming skills. Lastly, motivated to expand my skills, continuously improve through learning, and gain practical experience from an internship opportunity.
